Father God, I come before You holding tightly to Your promise. You said in Jeremiah 29:11, "For I know the plans I have for you... plans to prosper you and not to harm you, plans to give you hope and a future." Lord, even when my body feels delayed, I declare my future is not canceled. Restore my hope. Strengthen my faith. Renew my joy. I receive Your good plans – plans that include fruitfulness, life, and fulfillment.
In the name of Jesus, amen.

Lord, You revealed Yourself as my Healer when You said in Exodus 15:26, "I am the Lord who heals you." I ask You now to heal my womb, my reproductive system, and every internal function of my body. Heal hormones, cycles, eggs, sperm, uterus, tubes, and ovaries. Where there is damage, restore. Where there is inflammation, bring peace. Where there is disorder, establish divine alignment. I receive Your healing power now, in the name of Jesus, amen.

I decree that my womb responds to Your Word.

My body aligns with heaven’s design.

Barrenness has no legal right in my life.

medical help — by Your power.
I believe You are the God who opens wombs and forms life.
